The regular monthly meeting of the Ellport Borough Sewer Authority was held on the above date in Council Chambers, Ellport Borough Building. Present were Chairman Steffler and Authority members Campbell, Christy, Takacs and Milnes. Also present were Solicitor Leymarie, plant operator Jeff Davis, and Borough Council members Gebhardt, Mazzant and Takacs. The minutes of the February 16, 2023 meeting was approved by the Authority as received.

TREASURER'S REPORT:

Checking - \$55,602. Capital Improvement - \$111,505.

VISITORS:

Representatives from the three Townships which tie into the Ellport sewer system, Perry, Wayne, and Franklin, were at the meeting at the request of Solicitor Leymarie, to discuss the flow percentages of the three Townships in comparison to Ellport's percentage. Ellport's percentage averages close to 64% while the three Townships only average 36%, while Ellport has 511 customers and the three Townships have 810. Ellport's contract for billing the Townships is based on flow percentages, not the number of customers and Ellport is concerned that the flow readings do not reflect the actual usage of the Townships. It was agreed that a flow study based on placing of meters in certain areas of the three Townships, to be determined by Ellport, to record flows would be conducted by Ellport.

NEW BUSINESS:

A motion was made by Milnes and seconded by Campbell to pay the bills. A roll call vote was taken with all voting yes. Motion passed unanimously.

Chairman Steffler adjourned the meeting.
